

# GA AIRPORTS & AAM: AN AIRPORT PERSPECTIVE

NICK SABO, AAE

EXECUTIVE DIRECTOR

WINCHESTER REGIONAL AIRPORT AUTHORITY

# GA AIRPORTS

1. Primary market opportunity for Regional Air Mobility operations
2. Credible aviation experts to lead communication among stakeholders
3. Advocate for public acceptance of AAM
4. Tip of the spear for developing aerospace workforce
5. Nexus for UTM integration into the National Airspace System

# Aviation Studies

Business Home » Programs » Undergraduate Programs » Aviation Studies

## You're Cleared For Takeoff!

The Aviation Studies BBA concentration provides credit for FAA certified flight training as a part of the Bachelor's in Business Administration degree. It is designed to provide a pathway for licensed pilots to obtain a bachelor's degree with fewer total classes needed due to the credit counted for their certified aviation studies coursework.
